22MY ALFA ROMEO DIVERSITY REDUCTION

COMPLEXITY REDUCTION WILL BE IMPROVED FROM 26K TO ABOUT 200 CONFIGURATIONS PER FAMILY

Summary of product actions:

1. Align to a global Alfa Romeo trim walk & exterior look

- Sprint gets standard dark exterior
- Ti gets standard bright exterior (Luxury)
- Ti Sport re-named to Veloce, gets standard dark exterior

2. Reduce low performing packages and simplification of offerings

- Drop low performing high cost packages and options:
 - Ti Lusso Package and Ti Sport Carbon Package
 - Performance Package
 - Adaptive Suspension
- Reduce wheel and color options:
 - 32 wheels to 13 wheels (Giulia + Stelvio)
 - 4 brake colors to 2 brake colors
 - 17 exterior colors to 10 exterior colors

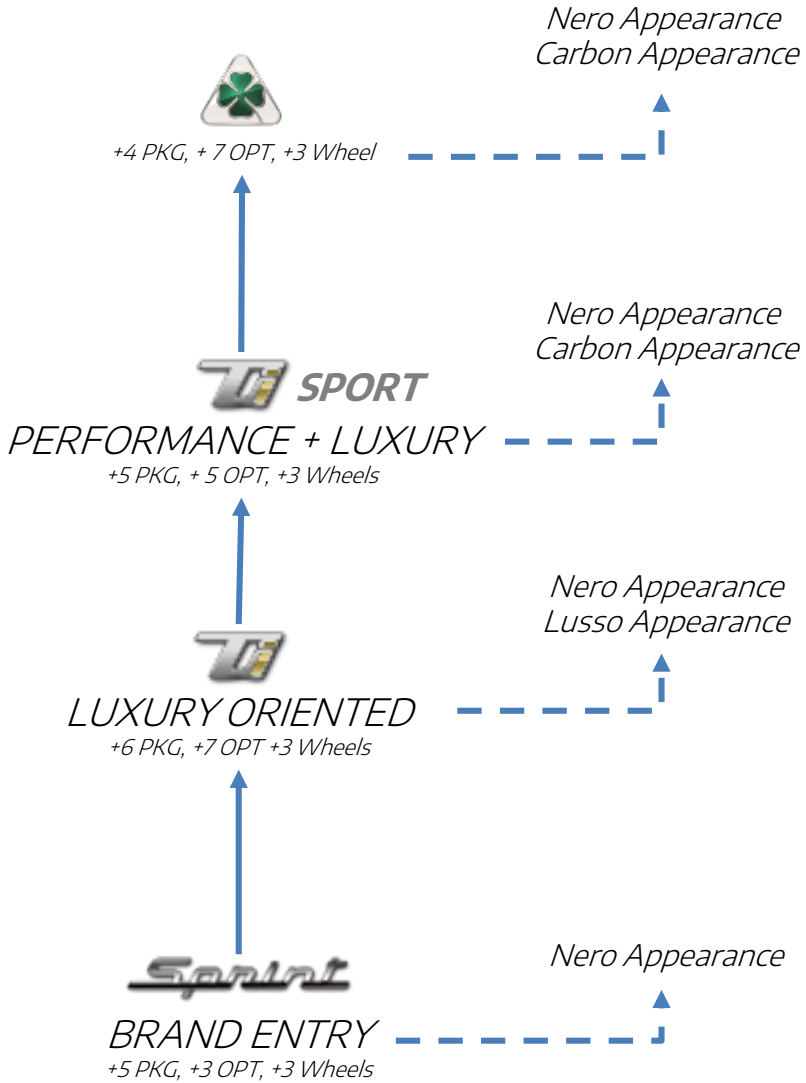

3. Align to the Global standard product offerings – reduced complexity yields higher overall quality

- All trims get standard wireless charging
- All trims get standard ADAS 1 (Blind spot, ACC, LDW, auto high beam, front park assist, auto dim mirrors)
- Sprint gets standard navigation
- Ti, Veloce, QV get standard hands free liftgate (GU only)
