

2017 FORD WARRANTY ADDENDUM

The paragraph below replaces the paragraph with the same first sentence found on Page 9 in **The New Vehicle Limited Warranty for Your 2017-Model Vehicle** under the section called **What is Covered?**.
Changed text appears in bold font.

This warranty does not mean that each Ford vehicle is defect free. Defects may be unintentionally introduced into vehicles during the design and manufacturing processes and such defects could result in the need for repairs. **Ford provides the New Vehicle Limited Warranty only to remedy manufacturing defects that result in vehicle part malfunction or failure during the warranty period.**
