

WHEEL SPACERS INSTALLATION INSTRUCTIONS

Thank you for purchasing a pair of Poison Spyder Wheel Spacers. Installation is fairly simple with the right tools and good mechanical abilities. If you are not confident in your mechanical skills, please seek the help of a professional to perform the installation. Please read through these entire instructions before proceeding with installation.

TOOLS NEEDED

- Floor Jack & Jack Stand
- Lug Nut Wrench or Socket, Ratchet & Extension
- Wire Brush
- Torque Wrench

INSTALLATION PROCEDURE

- 1. Park vehicle on a level** surface and set the parking brake. Place wheel block or chock at front wheel (opposite the one you're working on, if installing spacers on the front wheels). You will want to wear eye protection beyond this point in time.
- 2. Use the floor jack to lift** the wheel of the ground, place axle on jack stand and remove floor jack. *DO NOT work on the vehicle with only the jack holding it up!*
- 3. Use a wire brush to clean** surface of hub/rotor or drum where the spacer is going to be mounted. Surface must be clean so that the spacer sits perfectly flat against the mounting surface. In some vehicle models, rotor retainer clips must be removed to allow the spacer to sit flat.
- 4. Install the spacer using the supplied** lug nuts, finger-tight. These "bulge" style lug nuts are designed for the tapered end to seat into the machined tapered hole in the spacer.
- 5. Using a calibrated torque wrench,** dry torque the lug nuts in a star pattern to your vehicle manufacturer's specifications (check your owner's manual for dry torque specifications). **DO NOT USE AN IMPACT GUN,** as it may damage the lug nuts and/or studs.
- 6. Once the spacer is installed,** check the surface of the spacer. Studs or lug nuts should not protrude beyond the wheel mounting surface of the spacer. Using a straight-edge along the wheel mounting surface may be helpful if it looks "close".
- 7. Install wheel using the same** lug nuts that were originally removed. The threads on the lug nuts **MUST** match the threads on the wheel spacer! If yours do not match, stop this installation and contact Poison Spyder. *Do not cross-thread or force mismatched threads!* Use a torque wrench, in a star pattern, to tighten the lug nuts to the manufacturer's specification.
- 8. Use floor jack to lift** wheel, remove jack stand, and set wheel on the ground. Repeat the install procedure for the opposite wheel.
- 9. After both wheel spacers are** installed, drive the vehicle for 10 miles. Then, using the procedure outlined above, remove each wheel and check the torque of the lug nuts holding the spacer to the hub. If re-torquing is needed, do so then repeat the 10-mile test drive and re-check. Repeat the re-torque/test drive/re-check procedure until no further re-torquing is needed.
- 10. After 100 miles, remove the** wheel and check the torque once again, and re-torque/re-check as needed.

Congratulations, you have completed installation of your Poison Spyder Wheel Spacers.

WARRANTY

Poison Spyder Customs™ warranties all of the products we sell and distribute for one (1) year from the date of sale. These products will be free from defects in material and workmanship under normal installation, and use. Due to the intended use the powder coat finish is warranted for ninety (90) days. The finish warranty will not cover a product if it has been damaged in any way. Warranty is limited to repair or replacement. Poison Spyder Customs™ does not offer any type of labor or shipping allowance and all warranty claims are subject to inspection by Poison Spyder Customs™.

At the discretion of Poison Spyder Customs™, the products in question can be repaired or replaced when found defective. Prior to any replacement or repair, written authorization must be obtained from Poison Spyder Customs™. Failure to contact us prior to having warranty work preformed will immediately void all applicable warranties; and it is then the sole responsibility of the customer to remit any payment incurred.

The warranty expressed above is the sole warranty of Poison Spyder Customs™, and any other expressed or implied warranties are hereby specifically excluded and disclaimed.

HOLD HARMLESS AGREEMENT

1. In purchasing a Poison Spyder Customs Product™ I release, waive, discharge and covenant not to sue Poison Spyder Customs officers, servants, agents, or employees (hereinafter referred to as Releasees) from any and all liability, claims, demands, actions and causes of action whatsoever arising out of or related to any loss, damage, or injury, including death, that may be sustained by me (or anyone else), any property belonging to me (or anyone else), whether caused by the negligence of the releasees or otherwise, while working on, using or any activity related to this product.

2. I am fully aware of risks and hazards connected with the use of a this product and I elect to voluntarily engage in such use of this product knowing that the use may be hazardous to me and my property. I voluntarily assume full responsibility for any risks of loss, property damage or personal injury, including death, that may be sustained by me (or anyone else), or

any loss or damage to property owned by me (or anyone else), as a result of using this product, whether caused by the negligence of releasees or otherwise.

3. I further agree to indemnify and hold harmless the releasees from any loss, liability, damage or costs, including court cost and attorney fees, that they may incur due to my use of a this product, whether caused by negligence of releasees or otherwise.

4. It is my express intent that this Release and Hold Harmless Agreement shall bind the members of my family and spouse, if I am alive, and my heirs assigns and personal representative, if I am deceased, and shall be deemed as a release, waiver, discharge, and covenant not to sue the above named releasees. I further agree that this Waiver of Liability and Hold Harmless Agreement shall be construed in accordance with the laws of the State of California.

By accepting this product, I acknowledge and represent that I have read the above Waiver and Liability and Hold Harmless Agreement, understand it and accept it voluntarily as my own free act and deed; no oral presentations, statements, or inducements, apart from the foregoing written agreement, have been made; I am at least eighteen (18) years of age and fully competent; and I execute this Release for full, adequate and complete consideration fully intending to be bound by same.

If you do not agree with the preceding Hold Harmless Agreement, you may return the product and receive a full refund. Please, contact a Poison Spyder Customs™ sales representative and they will issue a call tag for the product in question. Once the product has been received by Poison Spyder Customs™ a full refund will be issued.
