## Volkswagen R32 2004

### **Comfort & Protection**

#### **Warning triangle**

For increased peace of mind. If you need to stop at the roadside for any reason, this portable, foldout triangle will alert oncoming drivers.

000093056A

#### **Skid plate (metal)**

Skid plate - metal for under body protection.

1J0018930C

#### **Emergency hammer**

A potential life saver. One end cuts through a seat belt, the other is a powerful hammer to break out side windows in emergency situations. Includes a safety mount.

000099160A

#### **Digital Tire pressure gage**

Help maintain fuel mileage and vehicle handling, as well as improve the service life, and safety of your tires by regularly checking the air pressure in your tires with this digital tire pressure gauge. This Digital Tire Pressure Gauge features an Auto-off function and long life lithium battery.

ZVW173001

#### **Car cover**

ZVW400103

This car cover is made from gray Stormshield® material and features the Volkswagen logo in black in the front. Like all other Volkswagen car covers it features reinforced loops to insure secure tie down when using a lock & cable set with a plastic window so the rear license plate is visible. A storage bag is included.

ZVW400110

Cover cable and Lock Set, to provide added margin of security. Plastic coated non-scratching cable slides through provided grommets in car cover. Brass lock included.

#### **Cargo net**

An essential addition to the busy driver's trunk area, the nylon/elastic cargo net offers extra versatility and easy-to-use functionality. Using the lock-down clamps in your R32's trunk, the elasticized cargo net securely pins down bulky valuables.
