Technical Bulletin

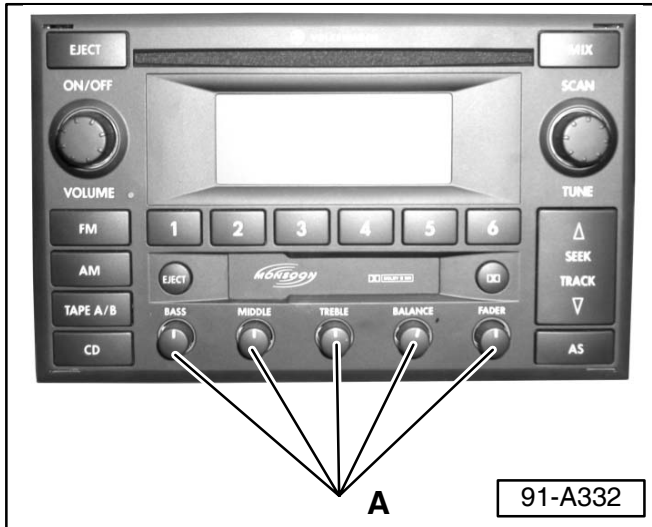

Subject: **Radio, Tone, Balance or Fader Knobs Broken or Loose** Group: **91**

Number: **03-02**

Model(s): **All with Panasonic Premium
VI Radio**

2002 ▶ 2004

Date: **Dec. 2, 2003**

Condition

Panasonic Premium VI (Radio/CD/Cassette Player) tone/balance/fader knobs broken or loose.

Service

- ◀ – Replace ALL five knobs -A- with 5 knobs from kit Part No: ZVW 828 002A.
- Discard knobs removed from radio.

Note:

To prevent repeat repair to a different knob at a later date. It is important to install ALL 5 knobs from the kit.
