### Service

The following page contains a new vehicle glass scratch, stress crack, distortion survey form.

- Please inspect all vehicle glass on each new vehicle received at your Dealership.
  - Inspect vehicle glass only after the vehicle has been cleaned.
  - Make copies of this form as necessary when scratches, stress cracks and/or distortion are identified on a new vehicle.
- FAX results to the number listed on the form.

### **Note:**

*Complete and FAX form ONLY if vehicle glass is scratched, stress cracked and/or distorted.*

**Important!**

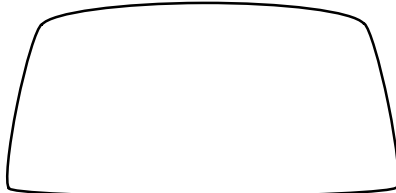

Please give copies to all your VW Technicians
