Technical Bulletin

Subject: Ignition Key, Emergency Release Revision

Group: 94

Number: 04-03

Model(s): Touareg & Phaeton

2004 ► See Table

Date: Nov. 19, 2004

Condition

Vehicle owner's manual omits "Apply parking brake" step from ignition key emergency release procedure.

In the event a customer contacts your dealership requesting assistance with ignition key emergency release, the following procedure describes proper steps for key removal.

Production

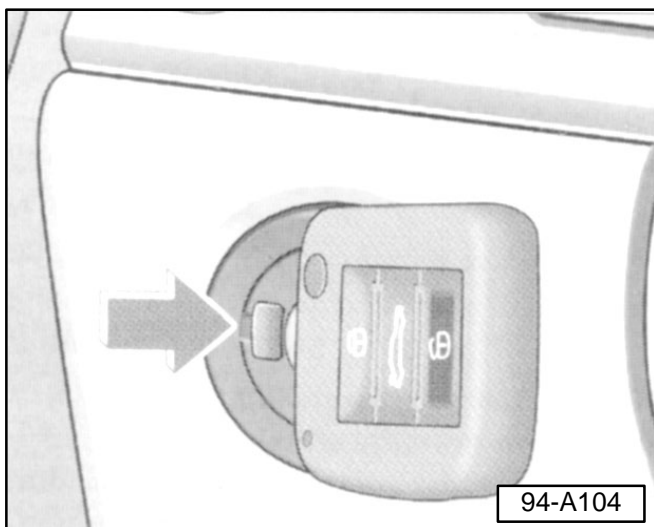

Vehicles built up to the following VINs:

Touareg	WVGHH77L44D080433
Phaeton	WVWAF63D348012170

Vehicles built after above VINs do not have this emergency release feature.

Service

- Switch ignition OFF.
- Move transmission selector lever to "P" (Park).
- Fully engage parking brake.
- ◀ - Remove cover -arrow- if equipped.
